Registration for the competition is free and is not subject to any obligation to purchase.

**Clause 3: Entry terms**

To participate, each participant must:

- log on to the [www.dassault-aviation.com](http://www.dassault-aviation.com) web portal
- play the Pac Plane 2018 game in the Passion section of the site
- Aim: move the Rafale around the maze and collect all of the white dots while avoiding the clouds that are moving around. The Rafale can collect a power pellet (large white dot), which allows it to pass through the clouds (which have turned dark blue) and win more points. The game is over when all three lives have been lost or when the 5 levels have been completed. The faster your route and the more dark blue clouds you get through, the more points you will win.

The highest scorers will receive Dassault Aviation gifts.

On registering to play the game on the site, each player must provide their contact details in order to be identified. Any incomplete information will invalidate the registration. Participants shall elect domicile at the address they have indicated.
