

Paris Air Show, June 2019

THE DASSAULT AVIATION WEB PORTAL KEEPS PACE WITH THE PARIS AIR SHOW: WWW.DASSAULT-AVIATION.COM

From June 17-23, experience this major aerospace event live at www.dassault-aviation.com and on our social media pages.

Animated for the occasion, the website is providing access to Paris Air Show-specific contents:

To experience the day's events

- news in pictures (prominent visitors, in-flight demonstrations, etc.)
- videos on our web TV dassault-aviation.tv
- photo galleries at photos.dassault-aviation.com
- a daily newsletter summarizing the highlights of the day
- a YouTube channel youtube.com/thedassaultaviation

To stay up to date with new content in real time

- an @Dassault_OnAir Twitter account: twitter.com/Dassault_OnAir
- a Dassault Aviation LinkedIn page: linkedin.com/company/dassault-aviation
- an @DassaultAviation Facebook page: facebook.com/DassaultAviation
- an @dassaultaviation Instagram account: instagram.com/dassaultaviation
- iOS and Android applications (for smart phones and tablets)

To imagine and learn while having fun

- a "Paris Air Show" Game with lots of prizes up for grabs
- Virtual Reality applications: "Aboard the Rafale", "Rafale Experience", "Immersive Dassault Aviation"
- an Augmented Reality application: "DassaultAir3d"
- a Historical timeline
- Goodies: 3D screensavers, papercrafts, wallpapers

To find out more about Dassault Aviation at the Paris Air Show

- the press kit for the event
- a presentation about our participation in the "Careers Plane"
- a presentation about our participation in the "Paris Air Lab"
